The certificate is valid as long as the standards and legislation are current and annual audit is performed with satisfactory results.

For and behalf of  
TÜV AUSTRIA TÜRK Belgelendirme  
Eğitim ve Gözetim Hizmetleri Ltd.Şti.  
Emrah Ümit ŞİRANLI

The product meets the requirements referred to in this certificate taking into account any additional remarks mentioned above.

This Certificate has been granted to the applicant based on the results of testing performed by the applicant/manufacture or an accepted laboratory and the consequent review of the test report by TÜV AUSTRIA TÜRK. Revisions to the referenced certification basis or any change of the design, materials, components or processing may require the repetition of all or some of the qualification tests in order for the test report and therefore this associated certificate to remain valid.
